

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Please do not allow the ownership of our media to be concentrated down to the interests of the few, at the expense of our citizens' ability to hear all sides of issues and all types of news. The U.S.'s and its citizens' interests are best served by having a broadly based ownership and diverse viewpoints. Please keep ownership of our media broad, and not concentrated into the hands of only corporate interests.
